

S F B Subgroup Meeting Four within ELSO 2007

Date: Saturday, September 1, 2007

Place: International Congress Center Dresden, Conference room 4

Title: Hematopoietic and mesenchymal stem cells:
Adult stem cells with clinical perspectives

Chair: Prof. Dr. Martin Bornhäuser (Dresden)

Co-Chair: Prof. Dr. Gerhard Ehninger (Dresden)

- 15:30 – 16:00 **Prof. Dr. Tsvee Lapidot (Jerusalem)**
„Regulation of stem cell migration and development“
- 16:00 – 16:30 **Prof. Dr. Anthony Ho (Heidelberg)**
„Human mesenchymal stromal cells as surrogate model
for stem cell niche“
- 16:30 – 17:00 **PD Dr. Reinhard Henschler (Frankfurt)**
„Mesenchymal stem cells display coordinated rolling
and adhesion behavior on endothelial cells“
- 17:00 – 17:30 **Prof. Dr. Edwin Horwitz (Philadelphia)**
„Marrow mesenchymal cell transplantation:
The right cell for the right job!“
- 17:30 – 18:00 **Prof. Dr. Mark F. Pittenger (Baltimore)**
„Cellular therapeutics: Lessons from adult stem cells“
